POTATO STAMP GIFT WRAP

MATERIALS:

- 3-4 potatos, cut in half vertically
- 6-8 festive cookie cutters
- Sharp knife
- Red, white & green paint
- Kraft paper roll
- Painters tape

STEP ONE

Cut the potatos in half lenthwise.

STEP TWO

Create festive potato stamps by inserting a cookie cutter about 2cm into a potato half, then cutting around the potato edge towards the cookie cutter and peeling away the outer excess.

STEP THREE

Roll out the Kraft paper onto your driveway (or place of choice), stick down flat with painters tape.

STEP FOUR

Use your newly-created potato stamps to stamp paint in a festive pattern across the entire length of Kraft paper.

STEP FIVE

Leave to dry flat and then roll up for festive personalised Christmas wrap!

HINT:

For a fun idea, tell your kids that you will post the decorated wrap to Santa for his gifts. Then watch on Christmas morning as their eyes light up when they spot the gift wrap that THEY made!

LITTLE HELPERS:

This activity is sure to become a favourite tradition in your home. It is perfect for all ages. Simply lay out the paper, paints and stamps and let your littles create magic!
