CHRISTMAS BINGO

Add a little Christmas fun into your family game night with Christmas Bingo.

CHRISTMAS BINGO INSTRUCTIONS

1. Print & Prep: Start by printing the bingo boards and the bingo cards. Cut out each bingo card, mix them up, and place them upside down in a pile.

2. Prepare the Bingo Boards: Each player or team gets a bingo board. You can use plain paper, laminate the boards, or place them in a plastic sleeve. For a reusable option, mark off squares with a whiteboard marker, or add extra fun by using treats like M&Ms or Hershey's Kisses as markers!

3. Let the Game Begin: Players take turns picking a bingo card and calling it out. Each player with the called-out item on their board marks it off.

4. Winning the Game: The first player to mark off all squares on their bingo board shouts "Bingo!" and wins the game.
