HI, WE'RE MATT & LINDA

Like most parents, we wanted more connection.
More laughter. More memories.
More of the moments we'd remember years from now.

But modern family life is busy.

And often the hardest part isn't wanting connection...
it's figuring out how to make it happen.

THAT'S WHY WE CREATED THE THRIVING HOME

We create done-for-you connection tools that help families spend less time planning and more time connecting.

WE PLAN, YOU PLAY.

Everything we make is designed to help families create warmer, more playful homes their children will remember.
