FIVE QUESTIONS

ALL ABOUT HOME

Five simple questions to get everyone talking.

01

What is your favorite spot in our house to just sit and relax?

02

If you could add one thing to our house right now to make it better, what would it be?

03

What is something our family is really good at doing together?

04

What is something you think is really hard about being a parent, and what do you think is hard about being a kid right now?

05

What do you think makes our family different or unique compared to other families?

Ask one each night or work through all five at once... whatever suits your family.

Take turns answering, parents included.

There are no right answers; the idea is simply to get everyone talking.
